

PRESS RELEASE: “Nikita Nomerz” Collective Exhibition.

EXHIBITION DATES: 7th – 10th April 2021

Exhibition TIMINGS: 1 pm till 9 pm

VENUE: World Trade Center, Dubai.

Space dedicated to the artist at world Art Dubai, the collection is especially prepared for Shamuzzi Gallery & is continuation of a large series of works "Parts of the Whole". These are graphic faces, figures, images of people and animals, collected from individual elements. Often in the works there are plant motifs, which emphasizes the unity of man with nature. After getting acquainted with the series, the viewer can put together a single plot from the works, each time finding new combinations, as in a kaleidoscope. The project exists not only in the studio format, many works appear in the form of monumental murals on street walls in different cities of Russia, Europe, Asia and the East. One of the large-scale works made as part of the Dubai Canvas International Festival is located on a popular tourist street in JBR Dubai.
